You or *Your Spouse* will be eligible for **Total Disability** benefits again if *You* or *Your Spouse* have been *Employed* for a period of at least 30 consecutive days.

Beneficiary of the Insurance

We will make all claim payments directly to the *Creditor*, Amex Bank of Canada, who will then credit the payments to *Your Account* to reduce or extinguish *Your Account* balance. All benefit payments are made in Canadian dollars.

You are responsible for the balance on *Your Account* at all times, regardless of whether *You* are receiving benefit payments. In addition, the certificate of insurance does not alter, in any way, *Your Account Cardmember* agreement with Amex Bank of Canada.

While *You* are receiving benefit payments, interest will continue to be charged on the outstanding amount of *Your Account*.

Premiums will continue to be charged to *Your Account* unless *Your* insurance coverage is cancelled. *You* may need to make payments to *Your Account* to cover these or other charges and minimize the amount of interest charged to *Your Account*.

Premium

Your monthly insurance premium is calculated when *Your* monthly *Account* Statement is issued. *Your* monthly insurance premium is based on the current month's *Outstanding Balance* and calculated by applying the applicable monthly premium rate per \$100 as outlined in the Summary at the top of the first page of the certificate of insurance to the current month's *Outstanding Balance* on *Your Account* to a maximum of \$20,000, plus applicable taxes.

Premiums plus any applicable taxes will be:

- calculated when *Your Account's Outstanding Balance* is greater than zero;
- automatically charged to *Your Account* at the credit card *Statement Date*; **and**
- due with *Your Account* payment.

Your monthly premium rate is based on the level of applicable insurance coverage *You* are eligible for at a certain age. *Your* monthly premium rate will be reduced on the next *Statement Date* after *Your* 70th birthday.

If *Your* monthly premium rate increases, *You* will be given at least 30 days advance written notice.

Waiting Period

There is no waiting period for the benefit payment in the event of **loss of life**, **Critical Illness** or **Dismemberment**.

There is a **30-day** waiting period for the **Involuntary Unemployment** and **Total Disability** coverage. This means that the initial benefit will be made after 30 days following the *Date of Loss* and will be paid retroactively from such date.

There is a **90-day** waiting period for the **Loss of Self-Employment Income** coverage. This means that the initial benefit will be made after 90 days following the *Date of Loss* and will be paid from such date.

There is a **24 hour** waiting period for **Disability Requiring Hospitalization** coverage. This means that benefits will be paid only if the *Hospitalization* lasts for more than **24 hours**.

Effective Date

The *Effective Date* of insurance will be indicated on the *Welcome Letter* that accompanies the certificate of insurance.

Confirmation of Coverage

The certificate of insurance is proof of all the protection provided by the group master policies as long as premium has been paid. *You* will receive a certificate of insurance within **30 days** of *Your* enrollment.

If any excess premium has been paid by *You*, *We* will promptly refund it to *Your Account*. No refund will be made if the amount is less than \$1.00.

No benefits will be paid under the certificate of insurance for a claim occurring after the insurance coverage has ended, unless otherwise specified or agreed.
